OUR SERVICES

FOR RESTAURANT AND FOOD SERVICE INDUSTRY

While you aim towards winning patrons, we ensure you don't have to serve any uninvited guests.

Despite all best efforts with regular pest control maintenance, food service industry is one of the main areas for pests. Once these pests infiltrate, they contaminate food which results into loss of your customers. Sterling applies specially formulated pesticides and treatment to ensure complete freedom from pests.

FOR HEALTHCARE INDUSTRY

While you strive to keep the world healthy, we ensure your place stays healthy and pest-free.

A spotlessly clean environment is a very critical aspect of any healthcare industry. That's why, Sterling places special emphasis on your needs and implements its expertise to provide you completely pest-free and hygienic environment.

FOR FOOD PROCESSING INDUSTRY

In the process of delivering high standards we ensure nothing comes in your way.

We understand how important it is for you to maintain a pest-free environment. Sterling with its advanced pest tracking systems incorporates special treatments, best suited for your problem.

FOR WAREHOUSES & FACTORIES

While you provide world-class warehousing to your clients. We ensure there's no room for pests.

Maintaining a world-class warehousing facility can be very demanding. Sterling applies its expertise and technological edge to provide customized pest control solutions and help you eliminate pest problems effectively.

FOR EDUCATIONAL INSTITUTIONS

In the subject of pest control, we always get an 'A+'.

Our experienced technicians have the expertise and skill to effectively control your pest problems. We apply Integrated Pest Management techniques and programs that not only eliminate pests but also reduce the use of harmful pesticides where it really matters.
